

Plumbers Local 75 would like to thank all the Riders who attended the Breakfast and ride here in Milwaukee Wisconsin. Our Iron Butt award went out to Roger Bayne and his guest who rode in from Portland, OR (UA 290)

Thumbs Up also to Richard Faretta from Connecticut, The Daniels (Paul & Sue) from Canton, MI (UA 98) and Ken Smith and his guest from Cedar Rapids IA (UA 125). I would also like to personally thank the Plumbers Local 75 riders for their support and aid in putting together a safe ride.

See you all at the 110 anniversary if not sooner

Paul Krause
