The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. **This approval is valid until the end of JUNE 2015.**

This approval is contingent upon compliance with the following stipulation(s):

- Approval of this POWTS Component Manual is for recognition for designs of systems that are covered by this manual. Systems that are designed, installed and maintained in accordance with this manual will provide treatment and dispersal of domestic wastewater in conformance with s. Comm 83, Wis. Adm. Code.
- **Additional information is included as attachment(s) to this letter; see attachment A.**

This approval supersedes the approval issued on 4/20/2005 under product file number 20050236. This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20050236.

**Copies of currently approved POWTS DESIGN MANUALS are accessible via the web at:**
