Park in the BACK "YARD" of the building and enter through the door marked "STUDENT ENTRANCE"

³Blueprint Reading requires you to bring the following from PRI: Architect Scale, Engineer Scale, Drafting Kit & WI UPC Book

Plumbers Education Student Illness Policy

Eff. 02/02/22

Plumbers Local 75 and the Education Department are fully committed to safeguarding the health and safety of all Apprentices, Journeymen, Students, Instructors, Proctors, visitors, and staff. For this reason, effective immediately, Plumbers Local 75 Education Department enacts the following policy applicable to all students attending school at the Training Center:

- Due to CDC recommendations and current city ordinances, **Masks will be REQUIRED to be worn in classrooms and places of gathering at this time by students and instructors.** Vaccination status will have no exception in the ruling. This will be mandatory until there is a change in CDC status and/or city ordinance.
- All students will self-monitor for symptoms of illness **prior** to school arrival.
- Students who have any symptoms of fever OR respiratory illness will not be permitted in the training center.
- Students who are waiting on the results of a COVID19 test, have tested positive for COVID19 and are under isolation orders or are living in a household where a close contact tested positive for COVID-19 will **not** be permitted in the training center. Durations and length of quarantine in time will be based on current CDC recommendations.

****STUDENTS NOT PERMITTED TO ENTER THE TRAINING CENTER ARE REQUIRED TO CONTACT THE TRAINING DIRECTOR (414-359-1318 EXT 2) FOR CLARIFICATION OF THE POLICY AND TO DETERMINE A PERMITTED RETURN DATE.**

- Students will be given the opportunity to virtually attend or make up the class if the attendance violation is due to a Covid issue. To be granted this exception, a negative PCR Covid test must be issued to the Education Office or Training Director prior to having the ability to return to the training center.
- **Students understand these policies may be updated to reflect changes in infection rates & spread and, if so, students are expected to follow any updated protocols as notified.**
- Students are required to sign this agreement indicating they understand the policy and agree to follow the guidelines.

MY APOLOGIES FOR ANY INCONVENIENCE, BUT THE OVERALL SAFETY OF THE CENTER IS THE PRIORITY, OVER THE DISCOMFORT THAT IT BRINGS, TO KEEP THE CENTER RUNNING AND EVERYONE SAFE!!
